Note:

1. A complete application for exemptions should comprise the application form, transcripts, certificates and requisite fee.
2. Other qualifications including post-graduate qualifications and degrees from universities based outside Kenya will be considered on a case by case basis. However, exemptions for these qualifications will still be limited to the Foundation Level except as specified in the above schedules.
3. Holders of foreign qualifications will also be required to attach a letter of recognition of their qualifications in Kenya issued by the Commission for University Education (CUE). A list of foreign universities for which letters of recognition have already been submitted to Kasneb is available on the Kasneb website www.kasneb.or.ke.
4. Other qualifications will be included in the schedules as applications are received from students.
